Education

DE LA SALLE UNIVERSITY

BS in Computer Science Major in Software Technology

Manila, PH

June 2021 – Present

Relevant Coursework: Data Structures and Algorithms, Web Development, Programming, Database Systems.

UNIVERSITY OF ST. LA SALLE - LICEO DE LA SALLE

High School Diploma, with High Honors

Bacolod, PH

March 2020

Technical Skills & Projects

Programming: Python, SQL, HTML, CSS, JavaScript, React.js, WordPress

Design & Tools: GitHub, Linux (Proxmox, Ubuntu Server, Mint), Canva, Figma

Interests: Hardware Assembly & Repair, Network Configuration, Home Server

Website Development

Built and deployed multiple websites for personal and small business use using WordPress, HTML, CSS, JavaScript, and React.js. Led projects from concept to production, focusing on UI/UX and responsive design.

Home Server & Website Hosting

Configured a home server to host web applications and databases, including a BI project on Philippine sports trends and Karma Kombucha business website. Gained hands-on experience in Linux systems, networking, and server deployment.

Hardware Repair and Sales

Repaired and sold gaming consoles via Carousell and performed PC diagnostics and repairs for students. Developed advanced troubleshooting, component replacement, and customer service skills through practical tech work.

Relevant Experience

FAVOR TECH TEAM

Volunteer

Manila, PH

December 2023 – November 2024

Assisted in regular website maintenance and updates, ensuring up-to-date content and seamless performance using WordPress, Elementor, JavaScript, and SQL. Created and tested test demonstrations for publication.

BARON CORPORATION PROPERTIES

Intern

Manila, PH

April 2022 – Present

Implemented marketing strategies on platforms like Lamudi and various social media channels, increasing property visibility and interest. Acted as a broker, facilitating communication between renters. Assisted in the creation and management of property-related documents, ensuring accuracy and records.

KARMA KOMBUCHA

Partner

Manila, PH

March 2025 – Present

Produced, marketed, and sold handcrafted kombucha tea under the Karma Kombucha brand (Manila branch). Designed and deployed a business website and managed an Instagram presence to drive sales and brand engagement. Collaborated with the Bacolod branch to align branding, promotions, and supply chain processes.

Leadership

25TH BENILDE MODEL UNITED NATIONS

Delegate

Manila, PH

Jan 2024 – Present

Represented Canada in the General Assembly at BMUN. Took an active leadership role by driving discussions, negotiating with multiple delegations, and successfully pushing a resolution to adoption. Headed working groups and informal caucuses, demonstrating initiative and the ability to lead in a cross-disciplinary environment. Certified and awarded for successful completion of the conference.
